

**EQUITABLE
ADVISORS**

The more you save, the less you'll pay in taxes

Let's say your annual pretax income is \$50,000

If you contribute this much to your 457(b) pretax:	\$2,500 (5%)	\$5,000 (10%)	\$7,500 (15%)
Your taxable income will be:	\$47,500	\$45,000	\$42,500
And you will pay the following in income taxes ¹ :	\$5,315	\$5,015	\$4,715

\$600 more in your pocket

Participating in your municipality's 457(b) plan can help your savings grow and reduce the amount of tax you pay along the way. No matter where you are in life, it's a smart choice that can give you peace of mind about your future – so you can focus on the people and the passions that bring fulfillment to your life.

¹ Based on 2019 federal tax tables, assuming married filing jointly (source:www.irs.gov). Figures do not take into account any other sources of income, state or local income taxes, tax credits or deductions.
