ASKED & ANSWERED

WHO IS ELIGIBLE?

You are eligible for this insurance if you are an active full-time operating engineer employee who works at least 40 hours per week on a regularly scheduled basis.

AM I GUARANTEED COVERAGE?

If this is the first time you are eligible to elect coverage, evidence of insurability is not required.

If you did not elect coverage the first time it was offered to you, evidence of insurability is required to elect coverage. Evidence of insurability is also required to make a change to enhance your current coverage.

This coverage is subject to a pre-existing condition exclusion, which is detailed on the Limitations & Exclusions sheet.³

HOW MUCH DOES IT COST AND HOW DO I PAY FOR THIS INSURANCE?

Your employer pays 100% of the premium for your (employee) core coverage.

Premiums for buy-up coverage are provided on the Premium Worksheet. You have a choice of coverage amounts. Premium will be automatically paid through payroll deduction, as authorized by you during the enrollment process. This ensures you don't have to worry about writing a check or missing a payment.

WHEN CAN I ENROLL?

Your employer will automatically enroll you for core coverage. You may enroll in buy-up coverage during any scheduled enrollment period, within 31 days of the date you have a change in family status, or within 31 days of the completion of any eligibility waiting period established by your employer.

WHEN DOES THIS INSURANCE BEGIN?

The initial effective date of this coverage is April 1, 2019. Subject to any eligibility waiting period established by your employer, if you enroll for coverage prior to this date, insurance will become effective on this date. If you enroll for coverage after this date, insurance will become effective in accordance with the terms of the certificate (usually the first day of the month following the date you elect coverage).

You must be actively at work with your employer on the day your coverage takes effect.

WHEN DOES THIS INSURANCE END?

This insurance will end when you no longer satisfy the applicable eligibility conditions, premium is unpaid, you leave your employer, or the coverage is no longer offered.

WHAT DOES IT MEAN TO BE DISABLED?

Typically, disability means that you cannot perform one or more of the essential duties of your occupation due to injury, sickness, pregnancy or other medical condition covered by the insurance, and as a result, your current monthly earnings are less than 80% of your pre-disability earnings.

Pre-disability earnings is your regular monthly rate of pay, not counting commissions, bonuses, overtime pay or any other fringe benefit or extra compensation.
