## Your Benefit Enrollment Plan

To review and waive/elect new benefits, follow these easy steps:

### Schedule Your Enrollment Session

Scan or visit the link to schedule your enrollment session with your certified benefit counselor

### Review Your Benefits Options

Review your plan documents to learn about this year's benefit options  
Note any questions you have about your benefits for your counselor

### Complete Your Enrollment

During your scheduled time, your benefit counselor will review your options, answer any questions, and assist you to complete your enrollment. Dependents welcome to join your call.

*NOTE: To enroll dependents, their social security number and date of birth are required during enrollment. Employee, Spouse, and family plans available during this enrollment session.*
