Lifetime Benefit Solutions Health Spending App

Take the hassle out of managing your spending accounts with the LBS Health Spending App. It provides easy and secure access to all your spending accounts, right from your mobile device. With 24/7 access and complete control, you can conveniently monitor balances and track expenses on the go.

The LBS Health Spending App provides time-saving benefits such as:

Simple and secure access to all of your spending accounts – one single platform for your Flexible Spending Account, Health Reimbursement Account, and Qualified Transportation Benefit

Check current spending account balances and transaction details
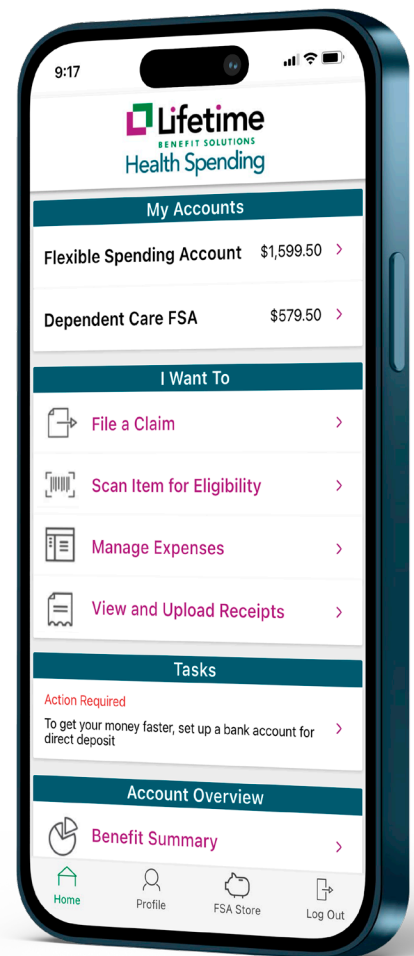

View account activity and receive alerts via text message

File new claims by simply uploading a picture of your receipt

Easy access to our customer service center via a phone call or email

This above screen is representative of the app experience. Actual screens and options are tailored to the specific spending accounts each member has.

Get started with the LBS Health Spending App today

If you have an iOS device, simply search **LBS Health Spending App** in the App Store and download to your device.

For Android devices, you can download the app by searching **LBS Health Spending** in the Google Play Store.

Scan to download the **LBS Health Spending App** to your device.

Once you have downloaded the app, you may log in using the same username and password you use to access the LBS online member portal.

If this is your first time logging in to either the online portal or mobile app, you can get started by following these three easy steps:

Step 1	Step 2	Step 3
Visit **LifetimeBenefitSolutions.com**, click on the "**Login**" drop down and choose "**Member**."	Choose "**Spending Account Login**" to be taken to the Consumer Portal.	Once you are on the login page you can begin the New User Registration process by clicking on "**Get Started**" in the New User section.

If this is your first entry to your online account, you will be asked to set up security questions.

Please note, if you are the dependent of an employee, you must use the employee's information to log in.
